

Overseas Qualifications

How to join ASORC with international qualifications

ASORC welcome applicants with international qualifications. To confirm that your overseas qualification is equivalent to an Australian degree, and that you meet the [eligibility requirements](#), there are a couple of additional requirements when submitting your application.

[Information for individuals with international qualifications](#)

Overseas Qualifications Formal Assessment

You will need to obtain an Overseas Qualifications Formal Assessment from an authorised assessing organisation, such as:

- [Australian Psychological Society](#) (fees apply)
- [Vet Assess](#) (fees apply)

IELTS score confirmation

ASORC require an IELTS (International English Language Testing System) score of 7 or higher. To find your university's IELTS score please use the [organisations that recognise IELTS](#) webpage and screenshot the result.

Applying for Membership

1. Complete an [ASORC online membership application](#) form
2. Complete Requirements for acceptance as a Member
 - Upload Overseas Qualifications Formal Assessment from an authorised assessing organisation as additional information
 - A screenshot of your IELTS score confirmation to verify your university IELTS score requirement is 7 or higher
